

Grievance POLICY *for Landcare groups*

MCCG 005 – 21.07.17
TEMPLATE VERSION 2 | 17.12.2013

INTRODUCTION

This document provides information on handling grievances at Manning Coastcare Group, including how to make a complaint, how to deal with a complaint / grievance and how to support persons through the grievance process. It is inevitable that conflict can occur in the workplace. It is important that there are established procedures to deal with such occurrences quickly to protect the people involved and also to protect our organisation.

WHAT IS A COMPLAINT?

A complaint is an expression of concern, dissatisfaction or frustration with the quality or delivery of a service, a policy or procedure, or the conduct of another person.

WHO CAN MAKE A COMPLAINT?

Any person can make a complaint. This can include staff, volunteers, customers, community members or committee members.

HOW CAN COMPLAINTS BE MADE?

Most complaints are reported as verbal grievances about minor matters that can be resolved informally. Ideally, these should be resolved informally with the relevant person.

If there is a feeling that the complaint needs to be formalised, the complaint must be lodged within 20 business days of the source of the cause or trigger for the complaint.

WHAT HAPPENS WHEN A COMPLAINT IS RECEIVED?

With an initial complaint, the Landcare support coordinator is able to provide initial advice on how an issue is to be dealt with + to assist with resolution, if necessary.

If a formal complaint is lodged, the Landcare Support Coordinator or Committee will determine whether it is a matter that can be resolved informally, or whether it should be dealt with by the Committee. The President will set up a process to facilitate this, if necessary. After initial consultation with differing parties, the Committee will convene a meeting of the persons involved. All parties are entitled to have a support person present including the President (if desired). Detailed minutes of these meetings together with the original complaint and other documentation will be kept. Copies of documents related to all formal complaints will be kept securely by Manning Coastcare Group.

All parties to a complaint must treat the matter confidentially. This means that all parties ensure that information is restricted to those engaged in the resolution.

The person managing the complaint is responsible for monitoring the well-being of all parties involved in, or affected by, the complaint.

Complaints should be dealt with as quickly as possible. It is reasonable that informal attempts to resolve a complaint should take place within a week.
